Dear CSEAO Members & Affiliates:

Once again, it is time to renew your membership with the County Sanitary Engineer's Association of Ohio (CSEAO).

The CSEAO has served as a nucleus from which the Sanitary Engineers throughout the State of Ohio share ideas, problems, and their solutions, as well as stay abreast of new products, engineering techniques and ever-changing government regulations.

On the attached invoice, please note the different types of membership. *Member* organizations need to identify the main contact who will be their voting individual. Other individuals may be listed on the roster for both *Member* and *Associate Members* at no additional membership cost. *Affiliate* membership is per individual, as is *Retired*. If you have any questions, let me know or refer to the current by-laws.

Please use the attached invoice for payment. I have also attached a W-9 with our correct tax ID number for your Auditor or fiscal officer. If you need additional documentation, please let me know.

Your support of the organization is appreciated!

Sincerely,

Joshua TC Anders, P.E.

Joshua TC Anders, P.E.
Treasurer, CSEAO

County Sanitary Engineers Association of Ohio

An Affiliate of the County Commissioners Association of Ohio
